Legastat Ltd is committed to providing and maintaining a safe and healthy working environment for our employees, contractors, visitors and anyone who may be affected by our activities.

We recognise our responsibilities under health and safety legislation and seek to ensure that health and safety considerations form an integral part of our day-to-day operations.

Our commitment includes:

- Maintaining safe systems of work.
- Identifying and managing health and safety risks.
- Providing appropriate information, instruction and training to employees.
- Consulting with employees on health and safety matters.
- Maintaining appropriate emergency and incident management procedures.
- Supporting the health, safety and wellbeing of employees working both on-site and remotely.
- Complying with applicable health and safety legislation and regulatory requirements.
- Reviewing our arrangements regularly to support continual improvement.

Health and safety is a shared responsibility, and all employees are expected to work safely and contribute to maintaining a positive safety culture.

For further information regarding our health and safety arrangements, please contact us.
